

Meat and Livestock Australia (MLA) is seeking university students across Australia, due to complete their degrees in 2008, to participate in a vacation work program in the red meat food industry.

MLA has developed a structured summer break professional undergraduate program that will give successful applicants the opportunity to apply their studies on current site issues in Australia's red meat industry.

MLA has assisted in excess of one hundred undergraduates in similar programs over the last six years and this year anticipates assisting many more.

Disciplines:

MLA invites interest from undergraduates in the following (or equivalent) disciplines:

Engineering (All)

Information Technology

Science

Physiotherapy / Nursing

Purchasing and Supply Chain Management

Microbiology

Health Sciences

Human Relations

Food Technology

Business / Marketing

Statistics

Rural / Veterinary Science

Agricultural Science / Agricultural Business

Nutrition

Applying:

For further information on the program including past case studies and to lodge an application, please go to <http://www.meat-randd.com.au/undergraduate> Please ensure you fill out the application form on the website in its entirety, incomplete applications will not be accepted.

Note: You must be prepared to travel within your state and stay in city or rural areas for the duration of the program.
