

Department of Health

Royal Street Divisions
Information Collection & Management

Programmer

HE504702

PSGA Level 5, \$60,638 - \$67,017 pa

Job Description

The Health Information Linkage Branch based at the Department's offices in East Perth is responsible for linking together the principal health records for the state. The WA Data Linkage System is the only one of its kind in Australia and one of a handful worldwide.

We are seeking a highly motivated suitably qualified Programmer to join the Linkage and Systems teams involved in the development, implementation and support of the WADLS.

The appointee will have extensive knowledge of the Unix operating system as well as experience programming in C/C++. Experience with relational database software (particularly Oracle), good communication skills and the ability to write clear and concise documentation will be highly regarded. A bachelor or honours degree in Computer Science or a strongly related discipline is also desirable.

Selection Criteria

Please see attached Job Description Form.

For Further Job Related Information

Please contact Diana Rosman, Program Manager, Health Information Linkage on (08) 9222 4261.

Application Instructions

Applicants are requested to apply online.

Applicants are advised to write and attach their statement addressing the selection criteria. Applicants should have their current resume/curriculum vitae and application addressing the selection criteria complete and ready to attach, prior to clicking on the "Apply for Job" button. You will be asked three questions during this process, and to then attach your documentation, so it is recommended to allow enough time to complete these requests.

Alternatively you can request for an application kit to be sent to you by calling **(08) 9480 9307**.

PLEASE BE AWARE THAT PROFORMA, EMAILED AND LATE APPLICATIONS CANNOT BE ACCEPTED.
