

SCIENCE & INNOVATION STUDENTSHIP AWARDS 2006

The Office of Science, Technology and Innovation (OSTI) invites applications for the 2006 Science and Innovation Studentship Awards. The awards provide an opportunity for science students to conduct a 10-week research project with a Western Australian company of their choice.

This year up to 20 studentships worth \$7,000 each will be awarded.

To be eligible, students must have lived in WA for more than two years and be either an Australian Citizen, permanent Australian Resident or hold a permanent Humanitarian Visa. Students must have also completed the equivalent of a **minimum** of two years full-time study in a science discipline (including medicine and engineering) and intend to continue with research studies.

Applications must be submitted to university scholarship officers by 15 September 2006.

Further information can be found on the OSTI website:
