

Junior Programmer Position Available

For an enthusiastic, independently minded and self motivated programmer working for a progressive mining consultancy in Perth. The position is a fantastic opportunity to compound and develop your **.Net application programming** experience, web development, and database programming skills.

The position is casual and flexible, working in with university commitments. The location is south of the river. The start date is now, following a successful interview and resume presentation.

If you are interested in the position please e-mail your resume to Ruth Behn.
