

Getting Started In CS&SE

During the first week of semester, students should:

1. Obtain their CS&SE computer account name and password.
2. Enter their lab and tute preferences by 6pm Tuesday, 1 March. The initial allocation will be available by Friday, 4 March.
3. Activate their UCS email account. CS&SE email will automatically be redirected to this email account.
4. Read and complete a “Conditions of Use of Computer Facilities” form.

Use the URL: <http://undergraduate.csse.uwa.edu.au/enrol.html>

Labs 2.01 through 2.07 of the CS&SE building will be open from 12pm Monday, 28 February. Orange instruction sheets will be placed throughout the labs.

Getting Started In CS&SE – New Students

During the first week of semester, new students should also:

1. Get their security card programmed for 24 hour lab access by the administrative assistant in Room 1.31A.
2. Read the “Getting Started” guide, available from the main undergraduate web-page: <http://undergraduate.csse.uwa.edu.au/>
3. Familiarise themselves with the School’s web-site and facilities. The URL is: <http://www.csse.uwa.edu.au/>

For students unfamiliar with the School’s computing systems, staff will be available to assist from 1pm-3pm Tuesday, 1 March in Lab 2.03.
