TI-5035

**A two-color printer
with plug-in/battery portability.**

Plug it in and tackle even the toughest home finance and budgeting jobs. Or take it where the work is—on battery power—for do-it-yourself projects.

Red and black 12-digit printer with audit trail and commas makes your financial records easy to read. Uses standard 2¼-inch paper.

Plenty of size for a steady stance on your desk with the AC adapter (included) . . . but

small enough to move around easily when powered by 4 AA batteries (not included).

Extra-large, contoured keys and a well-organized keyboard provide fast, accurate operation. Add-to, subtract-from, or sub-total memory. Printer ON/OFF and paper advance. Automatic percent key, automatic constant. Switch selects add mode, floating or fixed 0, 2, 4 decimal.
